

COTTESLOE COASTCARE WORK SAFETY

- 1. All volunteers please wear closed shoes, gloves and take protection from the sun.**
- 2. Please let the coordinator know if you have any health issues which may influence your work today.**
- 3. Do not over exert yourself, please enjoy working on our coast. Rest regularly and make use of water provided.**
- 4. Any injuries or accidents are to be reported to the site coordinator immediately. A First Aid kit is located in the tools trailer.**
- 5. Beware of reptiles in dunal areas.**
- 6. Please limit damage to native vegetation by minimising trampling through our dunes.**
- 7. Avoid dangerous cliff areas, as highlighted by the site coordinator.**
- 8. Please inform the site coordinator if you leave the site prior to finishing time.**

Thank you for volunteering to care for our coast!
